

Integra Holdings Pte Ltd is part of the Integra group, a global petrochemical trading company, with over 20 years of experience working in the international markets and presence in many countries around the world. Through its contacts, market knowledge and shipping abilities, it works with both regional and global companies to balance supply and demand in a range of petrochemicals. Integra epitomizes the meaning of GLOCAL-working in local markets, globally. This means not only understanding pricing in the different markets but also understanding the logistical constraints, sensitivities and market drivers in each of them.
